
Intermediate Setter looking for team

Posted by bluedadski - 2008/08/29 16:27

I'm a setter, middle blocker and can fill in as a hitter in a pinch, looking for a intermed. team to join.

I've got an intermediate team going tuesday nights - mostly young players. We're all fairly versatile, but we could definitely use a good setter! Let me know if you're interested!
