
Looking for 3 more for Intermediate team for Tues.

We have 3-4 young players (early 20's) - 2 of us have played together. We all have played in high school. I currently play in 3 other leagues. We're looking to get three more members for an intermediate team hopefully on Tuesdays. Let me know if you're interested!

What court are you looking to play on? I may be interested if you have a full squad and want to play on C
