We may need a few players for mostly upper rec RED DOG teams come April. Here is what we are looking for:

Players who are mobile on the court and mid to upper rec level (or better) at least in basic skills.

Players who want to have fun and attend the RED DOG INVITATIONAL practice and sometimes challenge court on Sundays.

Players who want to play a team game.

Players who will pay court fees when making a team commitment.

Might be a good place for intermediate players who have been off the court for a while to become "recalibrated."

If interested, and you think one of the 5 RED DOG teams might be cool for you, respond only by e-mailing me at

Thanx for reading this post..
