

# 2020-2021 Hot Shots Tryout

## Return to Play Policy

### Leading up to tryouts:

- Be symptom-free at least 14 days.
- Wash and sanitize your hands often.
- Stay home if you are sick or do not feel well.
- Practice social distancing regularly.
- Wear a mask when you can not practice social distancing.

### Arriving to Hot Shots:

- All players will need to sanitize their hands, get their temperature checked and hand in their Covid-19 Waiver. (This will be emailed to you the week before the first tryout)
- All HSJ “Check In” staff will be masked and will sanitize regularly.
- All players and parents will need to be masked when entering and exiting Hot Shots.
- Players will need to be masked until they get on the court.
- Bring your own water bottle.
- No parents are allowed in the hard-court area during tryouts. Parents may stay in either the sand court or Restaurant. The restaurant will be OPEN.

### Coaches:

- Coaches have been trained on all Covid-19 procedures.
- Coaches will sanitize their hands and have their temperatures checked when arriving to Hot Shots.
- Coaches will be masked while on the court actively involved with the players. Coaches can remove their masks off of the court while evaluating talent with other coaches.

### Cleaning:

- Before and after each tryout session, the balls will be sanitized and all high touch areas in the hard court area will be cleaned.
- Players and coaches will sanitize their hands during each water break. Sanitation stations will be located throughout the hard court area.
