Preferred Player Program

Here's how it works...

Fill out this Preferred Player Program form along with your registration form when you sign up for your league.

We will send you an email reminder that we will be charging your card and signing you up for the next session. This will be the week before "same night same court" registration week.

No need to come down, fax anything in or fill out another registration form. You and your team are set for the next session.
